## I Can Help in the Kitchen

I can help! I can help!

### **CHORUS**

**I may be little, but I can help big!**

**I can help in the kitchen even though I'm just a kid.**

**I can help! I can help!**

I can pour, peel, mix and slice!

I can help in the kitchen. Let's make something nice.

I can help! I can help!

I can scoop, spread, stir, and shake!

I can help in the kitchen. What do you want to make?

I can help! I can help!

### **CHORUS**

I can rinse, tear, pound and measure!

I can help in the kitchen. Let's make it together.

I can help! I can help!

I can snap, scrub, knead, and squeeze!

I can help in the kitchen! Can I help please!?

I can help! I can help!

### **CHORUS**
