I Can Help Clean the Kitchen

Chorus

I may be little, but I can help big!

I can help clean the kitchen even though I'm just a kid.

I can help! I can help!

I can push in chairs, scrape food off plates.
I can help in the kitchen. Let's clean this place!
I can help! I can help!

I can put food in containers before it's stored.
I can sort the silver wear in the kitchen drawer.
I can help! I can help!

Chorus

I can rinse the cups and dry the plates.
Put things in the trash and sweep up the place.
I can help! I can help!

I can replace towels and soak the pots.
I can spray the counters and wipe them off.
I can help! I can help!

Chorus

I can nest the bowls and stack the plates.
When you let me help, I feel great!
Cause I helped! Cause I helped!

I can clear the table and wipe up spills.
I helped clean the kitchen, and I am thrilled!
Cause I helped! Cause I helped!
