

Early Childhood

Half Entertained Album Track 13: Clean Up Shop

CHORUS

Stop-Drop! It's time to clean up shop!

Fo Sho! Put everything where it goes.

(repeat)

We've had fun playing with our friends, but it's time for our play to come to an end.
We're going to move on to more fun things, but first we gotta clean-up this place.

Chorus

Stack all the blocks in their right place. Follow the pictures, make them straight.
Make sure to put all the clothes in a bin, so we know where they are when we play with them again.

Chorus

Are the lids on the markers and on the Play Dough? Did you put all the toys back where they go?
Are the books on the shelf and well organized? See how nice it looks! You're so wise.

Chorus

Let's all look around and inspect the room. At the sand table, (hey!) do we need the broom?
Check for water on the floor so nobody slips. Makes sure nothing is out that might cause us to trip.

Stop. Drop. We just cleaned up shop!! Fo! Sho! Hi-Five! Way to go!! (repeat)
