

Early Childhood TLC Track #12: Volume

Chorus

How loud is your voice? How loud is this song? How long do you need to be all day long?
That's volume! That's volume. That's volume. V...V..V...V...V..V....V....Volume.

It's raining outside, so we're staying indoors.
I'm hanging with my friends playing with dinosaurs.
If there's one thing I love about dinosaurs, it's having fun making them roar!
Make them roar really loud! (Really loud!) Make them roar really loud! (Really loud!)
Make them roar!! Make them roar!!
Hold up! Wait. I gotta stop and think to myself.
Was my voice okay? I'm thinking probably not.
Cause we're inside now. I'm likely being too loud.
Take it down. Be mindful of others around.

Chorus

We're at the library, and it's story time.
I'm reminded to be quiet when I look at the sign. (Shhhh.)
The storyteller wants our help reciting a rhyme. Then I get caught up and scream the last line.
Jack be nimble. Jack be quick. Jack jumped over the candle stick!!!
Hold up! Wait. I gotta stop and think to myself.
Was my voice okay? I'm thinking probably not.
Cause we're inside now. I'm likely being too loud.
Take it down. Be mindful of others around.

Chorus

We're headed outside to the playground.
Where my friends and I like to goof around.
Sometimes I chase them. Sometimes they chase me.
Sometimes we scream with laughter and glee!
Hahahaha!! Heehee-Hee-He! Here comes the laughter and glee!!
Hahahaha!! Heehee-Hee-He! Here comes the laughter and glee!!

Hold up! Wait. I gotta stop and think to myself.
Was my voice okay? This is the place to be loud.
Cause we're outside now. Get it out when I'm out and about.
Keep in mind though. There are still others around.

Heeey! Think volume every day!!
