

Early Childhood TLC Track #3: Country 3 with Me

Chorus

Let's play the game Do 3 with Me. You do one move, then you do all 3!
This song will have you acting country. Have a good time and get down with me.

Pretend you're playing the violin.
Now stomp your foot and show a grin.
Now pivot on one foot and spin.
Now it's time to do all three. While getting down to a country beat.

Let me here you say "Yee-Haw!" (Yee-Haw!)
Say, "Mee-maw!" (Mee-maw!)
Make a rooster crow at the crack of dawn! (Rooster crowing.)

CHORUS

Now gallop around with a step and chase!
Add a lasso pick up your pace!
Slap the pony on the butt so he picks up speed.
Now it's time to do all three. While getting down to a country beat.

Let me here you say "Yee-Haw!" (Yee-Haw!)
Say, "Mee-maw!" (Mee-maw!)
Make a rooster crow at the crack of dawn! (Rooster crowing.)

CHORUS

Now toss out some chicken feed.
Drudge through the mud lift-up your feet.
Now call the cows. It's time to eat. (Whooo! Chic-cow!!)
Now it's time to do all three. While getting down to a country beat.

Let me here you say "Yee-Haw!" (Yee-Haw!)
Say, "Mee-maw!" (Mee-maw!)
Make a rooster crow at the crack of dawn! (Rooster crowing.)

CHORUS

That's the end of our country groove.
Come up with your own country moves
You can play this game again and again.
Having country fun with goofy friends.
